Dear Student,

Thank you for considering standing to be a council member on Glasgow University's Students' Representative Council.

Getting involved in the SRC is a great way to meet new people, build your CV and help improve the student experience for everyone. Whether you're running to be a School Representative or College Convenor, one of our Welfare & Equal Opportunity Officers or a Sabbatical Officer, the decision to get involved and represent students may be one of the best decisions you've made at university.

The Students' Representative Council represents students on many university committees at different levels. From University Court to the Student Experience Committee, we deal with issues relating to student welfare, learning and teaching, accommodation, study spaces, the digital experience and much more.

Please contact us if you would like a full list of the committees on which the SRC has a seat.

Although representation is a key focus, we do a lot more than that. Our sabbatical officers and council members organise a range of exciting and engaging events, which are focal points within the University's calendar, and these aim to benefit students alongside the wider community. Some of our big annual events include our Raising and Giving week, the Student Teaching Awards, the Volunteering & Clubs and Societies Awards, and many more. We also lead on several campaigns, such as preventing gender-based violence, mental health awareness and suicide prevention, as well as promoting crucial calendar dates such as Transgender Day of Visibility and Black History Month. Council members are also invited to a wealth of social events, including our Annual Council Dinner in spring.

There are also other ways you can get involved in the work the SRC does, such as through Volunteering, Student Media or helping with Welcome Week. I hope that your interest in supporting the student body on a wide range of issues will continue, and that you will involve yourself and engage with the SRC and its varied events and opportunities throughout the year.

There is financial support for SRC election candidates to help cover some of the costs associated with canvassing such as printing costs for leaflets and posters. This support is available to all candidates, and the sum available to each candidate will depend on the number of candidates who wish to receive this assistance. Details on how to apply and the process are available here.

Being part of the SRC is a truly unique experience; I have loved my time on council so far and I'm so thankful for the skills, experiences, and friendships I've gained

along the way. I would recommend the opportunity to everyone - you won't regret it!

Best of luck with your campaign and remember, if you have any questions don't hesitate to email elections@src.gla.ac.uk with any questions.

Yours sincerely,

Pablo Morán Ruiz SRC President
